## Emergency Pediatric Symposium

Join the Seven Hills Emergency Nurses Association and Centra as they present the Emergency Pediatric Symposium on Thursday, October 20, 2011, in Lynchburg, Virginia. This educational seminar will provide a comprehensive look at pediatric care in the emergency setting.

The Emergency Pediatric Symposium is specifically designed for registered nurses and emergency medical services (EMS) providers. Join us as experts from around Central Virginia review the pearls of pediatric care and reveal the most current practice recommendations for this unique patient population.

### ENA's Vision Statement

ENA is indispensable to the global emergency nursing community.

### ENA's Mission Statement

The mission of the Emergency Nurses Association is to advocate for patient safety and excellence in emergency nursing practice.

### ENA's Code of Ethics

The emergency nurse acts with compassion and respect for human dignity and the uniqueness of the individual.

The emergency nurse maintains competence within, and accountability for, emergency nursing practice.

The emergency nurse acts to protect the individual when health care and safety are threatened by incompetent, unethical or illegal practice.

The emergency nurse exercises sound judgment in responsibility, delegating, and seeking consultation.

The emergency nurse respects the individual's right to privacy and confidentiality.

The emergency nurse works to improve public health and secure access to health care for all.
